Alan Okinaka and **Jay Curlee** spoke to the Club about RYLA camp.

This years camp will be held at the Kilauea Military Camp from February 3rd to the 5th.

High School students from all schools on the Big Island are recruited and sponsored by the nine Big Island Rotary Clubs.

Programs and activities in communications, team building, and problem solving are designed to give students an opportunity to instill leadership skills and experiences.

This is a firm commitment by Rotarians to develop strong future leaders by working with and supporting students at the high school level.

Rotarians, Rotaractors and Youth Facilitators facilitate the programs. Youth Facilitators are students who went through the RYLA Camp program in the recent past.

Help us make this upcoming camp a success!
